Learn more about the *only* journal devoted to dermatologic surgery!

Under the editorial direction of William P. Coleman III, M.D., *Dermatologic Surgery (DSU)* publishes the latest scientific research for all types of dermatologic surgery, including Mohs surgery and hair restoration, in a format that's always innovative, cutting-edge, and clinically relevant.

DSU is published monthly and includes original articles, extensive illustrations, case reports, literature reviews, and correspondence along with widely acclaimed special feature sections such as: How We Do It/Back to Basics, Reconstructive Conundrums, Dermascopy, and more! To review a free sample issue, please visit the journal online at: <http://www.blackwell-synergy.com/loi/dsu>
