

**Third Newcastle Peri-Ocular Tumour Course
1st & 2nd October 2010**

A joint meeting of oculoplastic surgeons and dermatological surgeons

Advanced course of the British Society for Dermatological Surgery 2010

**Mr Eric Barnes, Miss Michele Beaconsfield, Mr John Beare, Miss Jane Dickinson,
Mr Christoph Hintschich, Mr Naresh Joshi & Mr Brian Leatherbarrow
Dr Richard Barlow, Dr Rupert Barry Dr James Langtry, Dr Cliff Lawrence
& Dr Klara Mosterd**

This third multidisciplinary course has been designed for all those who wish to gain further experience in the management of peri-ocular tumours. Facilitators are drawn from oculoplastic and dermatological surgery, but all disciplines are welcome to take part.

Numbers are limited to allow for optimal small group workshops.

Participants will gain experience in the role of non-surgical treatment options, methods of excision and margin control, lesion diagnosis, eyelid anatomy, reconstruction & the management of difficult cancers.

Registration forms available from cy.thirlaway@nuth.nhs.uk
Course registration £ 225

Application made for 9 CPD points.
